

## Achievement under Maternal Health

### MATERNAL HEALTH PROGRAMMES:

- **First Referral Unit:** 81 FRUs are providing C section services out of 94 FRUs.
- Blood Banks are available in 51 FRUs and Blood Storage Units available in 42 FRUs to meet the critical blood need of mother.
- **Delivery points:** State has target of 1190 delivery points of which **550** institutions are functional and steps have been taken for functionalizing remaining DPs. Along with that another 4 Medical Colleges are also providing Delivery Services.
- **Janani Surakya Yojana (JSY):** Total **3,34,681** number of beneficiaries have been benefitted under JSY (from 2020-21 upto **3<sup>rd</sup> Quarter**). Due to JSY, the institutional delivery has increased from 28.8 % in 2005-06 to 85% in 2015-16 as per NFHS-4.
- **Janani Shisu Surakshya Karyakram (JSSK)** – Free services which include free drug, blood, diagnostics, diet & referral services are provided to all pregnant women and sick newborn and infants (up to 1 year) through implementation of, Janani Shisu Surakshya Karyakrama at public health facilities. **5,06,843** pregnant women have received various JSSK entitlements during FY 2020-21.
- **Skilled Attendant at Birth (SAB)** training was given to the Paramedics and AYUSH doctors to augment the institutional delivery (Public Facilities) and Home Deliveries in hard to reach areas. During FY 2020-21 (HMIS), 5,31,577 nos. of Deliveries have been conducted / assisted by SAB trained staffs.
- **LSAS & EmOC :** Out of 94 FRUs, 71 FRUs are having 68 nos. of LSAS trained doctors & 6 nos. of EmOC trained doctors are providing Comprehensive Emergency & Obstetrics care services.
- **Maternal death review (MDR) committees** are formed at State and district level to review the maternal death. During FY 2020-21, **751** nos. of maternal death have been reported (MDR Report) and out of that **707** nos. of death are reviewed by CDM&PHOs of the district.
- **Comprehensive Abortion Care (CAC):** In the State 267 facilities are providing Comprehensive Abortion Care services where trained doctors are available for providing services along with counseling & scope of post abortion contraceptive services.
- **Village Health Sanitation & Nutrition Day:** Fixed day health & Nutrition day (VHSND) is being organized every Tuesday / Friday at village Anganwadi centers. So far 98% of VHSND Sessions have been organized against the target during 2020-21 (Session Planned-436170 & Held-428611). Also in hard to reach areas Integrated VHSND and RI Sessions are held to address all left out and drop out cases.

- **LaQshya:** Under this programme the LR & MOT (Labour Room & Maternity OT) are standardized for providing quality care services. This will put focus on improvement of infrastructure providing respectful maternity care and ensuring regular supplies to Labour Room & Maternity OT. The target is set to standardize all Medical Colleges & FRUs as prospective target. By end of 1<sup>st</sup> Qtr 2021-22, 14 nos. of MOTs and 14 LRs have been certified from State and 9 LR & MOTs from National Level.

- **Obstetric HDU & Hybrid ICU:** For providing critical care for obstetrics cases, 3 High Dependency Units are functional in 3 DHH (Kandhamal, Kalahandi & Keonjhar district) and 2 Hybrid ICUs in MKCG MCH, Berhampur & SCB MCH, Cuttack are operational.
- **Maternity Waiting Homes (Maa Gruha)** The Maa Gruha are established near to delivery points to accommodate the expected delivery cases from difficult geographical pockets at least before 7-10 days of Expected Date of Delivery for having safe institutional delivery. Maa Gruha not only provides facilities of temporary rest shed but also a home with counseling services to mothers on personal hygiene, family planning measures and new born care etc. Out of 106 MWH, **91** MWH are operational (upto June 2021).
- **Initiatives for Anaemia Control:** IFA & Calcium Supplementation - About 7 Lakhs Pregnant women covered during 2020-21 (HMIS). Inj. Iron sucrose & Blood transfusion services are made available at Institution level for pregnant women with severe anemia. One time deworming of all pregnant woman ensured during pregnancy in second trimester. During the year 2020-21 all registered ANC and PNC cases are provided with IFA & Calcium. Also the ANC Cases in 2<sup>nd</sup> trimester are given Deworming tablets.

- **PMSMA:** This programme focused on screening of antenatal cases by doctor preferably O&G specialist at least once during 2<sup>nd</sup> or 3<sup>rd</sup> trimester. This activity is implemented on 9<sup>th</sup> of every month on fixed day basis. PMSMA also encourages participation of private practitioners. All the facilities in the level of CHC and above are implementing this programme as per mandate. The prime objective of the programme is to screen for high risk pregnancies and initiate its management as appropriate. During the year FY 2020-21, **74,918** nos. of antenatal cases have been screened. 73 nos. of volunteers are providing services in the PMSMA clinic days in different government health institutions and 6319 nos. of high risk cases has been detected who were given Red Card.

- **SUMAN (Surakshita Matritva Ashwasan) :**
  - ✓ **Aim-** Assured, dignified, respectful and quality healthcare at no cost and zero tolerance for denial of services for every pregnant woman and newborn visiting the public health facility in order to end all preventable maternal and newborn deaths and morbidities and provide a positive birthing experience.
  - ✓ **Focus Action-** The initiative focuses on assure delivery of maternal and infant healthcare services encompassing wider access to free, and quality care services, zero tolerance for denial of services, assured management and complications along with respect for women's autonomy, dignity, feelings, choices and preferences, etc. It integrates existing initiatives such as JSSK, PMSMA, LaQshya etc., and focuses on service guarantee for health care services to pregnant woman and infants accessing public health facilities. It also incorporates components such as responsive call centre based grievance redressal mechanisms (through portal and 104 call center), community engagement and mega IEC/BCC campaigns, intersectoral coverage etc.
  - ✓ **Achievement-** 123 Facilities notified as on 23.07.2021.
