2	3 & 11	Clause 9 & Clause 1.2.5 : Explanation no.4	<p>Definition of company is as per Indian Company's Act 2013 to be read with participation rule for a foreign company (100% subsidiary) as the lead bidder, in case of Consortium bidding.</p> <p>Clarification on existing provision What about foreign companies, registered outside India ? Kindly allow that, as allowed by all other state governments. However, if a foreign registered company takes part, either directly or through a consortium, its Indian technical experience, if any, shall be considered, to meet the RFP technical criteria.</p> <p>We request you to allow a subsidiary Indian company of a foreign registered company, to take part in the bid, either directly, or as a Consortium member. As defined as per the Company's Act, and as allowed by most of the state governments, pl allow the subsidiary company with 51% shareholding of the parent foreign company, and not insist on 100% subsidiary only, for basic eligibility criteria.</p> <p>Since this subsidiary company is registered in India, as per prevalent Company's Act, it, by definition, is an Indian company, and may be treated accordingly, viz. as per Indian law. We are operational in India, in the 108/102 EMS projects in</p>	<p>Clarification: A foreign company (not registered in India) can take part in bidding, either directly or through consortium by its 100% subsidiary only. However the turnover, experience etc. of Indian entity alone will be taken into account.</p> <p>Any Indian company can very much participate in the Tender. The Indian experience & turnover of such company shall only be taken in to consideration.</p> <p>Where the bidder has relevant experience as member of a consortium engaged in similar service, then extent of operational experience (number of ambulance) proportionate to their share in the consortium shall be considered, provided;</p> <p>(a) The bidder has minimum share of 25% in the consortium. (b) The existence of the consortium is supported by duly executed documents clearly indicating the share. (c) The project is run by the consortium.</p>
