OPERATIONAL GUIDELINE

MAA GRUHA

SPECIAL INITIATIVES FOR PROMOTION OF INSTITUTIONAL DELIVERY IN INACCESSIBLE AREAS

Rationale: Geographical barrier/Lack of communication hinders transportation of expectant Mothers to hospital in the last stage of labour or in emergency. Suitable place & cost factors involved in staying outside before delivery is also not up to their reach because of their poor economic status. So, in spite of provision given under JSY, institutional delivery is not reported to have increased.

These problems can be approached through establishing **MAA GRUHA** (Maternity Waiting Home) especially for people living in most difficult pockets.

Objectives:

- To establish alternative support infrastructure for addressing communication problems in difficult and inaccessible pockets for ensuring institutional delivery.
- To increase institutional delivery in the difficult and inaccessible pockets ultimately minimising maternal & newborn mortality & morbidity.

MAA GRUHA

It is a temporary home for expectant mothers where they can wait for safe delivery preferably 7 -10 days before EDD. On onset of labour, they are to be shifted to nearby health facility having at least BeMOC facilities for delivery. No post-partum cases will be allowed to stay at this Home. Ideally it should be located nearer to the hospital.

Salient Features

- Maa Gruha project implementing through PPP mode
- Provision of one ANM-cum-Coordinator, three lady health assistant & one cook-cum-attendant for each project.
- Accommodation facilities for expectant mothers & her escorts (one).
- Provision of food for expectant mothers, dependant/escorts(one)
- Lady Health Care Assistant for attending cases in shifts.
- Provision for shifting of cases from Maternity Waiting Home to hospital.
- Recreation facilities at Maternity Waiting Home like TV, CDplayer etc.

Major activities

- Community mobilization
- Counseling to pregnant mothers about safe delivery, immunization, family planning, health & sanitation etc
- Free transportation facility for pregnant mother
- Regular health check-up.
• Health education sessions through IPC & Audiovisual aids.
• Act as client friendly environment & support
• Submission of monthly & quarterly report time to time

**Key deliverables:**

• Under observation of pregnant mother before EDD.
• Ensure 100% institutional delivery of cases refer to Maa Gruha
• Minimization of unsafe & Home delivery in the project area

**Targeted beneficiary:**

• The pregnant mother those are from the Sub centre with more than 20% of Home delivery will be eligible for admission in the Maa Gruha. Such Sub centres will be identified and listed by DDM and will be submitted to CDMO through ADMO (FW) for final notification.
• The pregnant mother, from the notified villages those are inaccessible and no road connectivity with the main road are also eligible to admission in the Maa Gruha.
  ✓ The facility would not be extended to any person other than from notified area.

**Transportation:**

• Home to Maa Gruha & then to Hospital by 102/108
• Hospital to Home 102/108

**Escort:**

• Only one escort is to be accepted to remain with the client.
• She / He may be her dependant, relative.
• She may also be ASHA/ Equivalent Worker of that area.

**Intake capacity of the Maternity Waiting Home**

It will accommodate 6 pregnant mothers at any point of time and average 20 cases in a month. However, in no case, the annual Bed of occupancy rate should not be less than 80%. If, admission is more than the sanctioned strength, then the expenditure incurred on such cases with all personal details & related documents may be placed before the Executive committee, ZSS for approval for reimbursement under RCH-II Untied fund.

**Period of stay at Maa Gruha**

• Cases may be advised to be admitted in the MWH for at least seven days before the expected date of delivery or as advised by the Medical Officer/ANM Concerned.
• A client will stay at Maa Gruha up to a Maximum period of 10 days and if required, another seven days more may be extended, after the approval of MO I/C.

**Register: Following Register will be maintained in the Maa Gruha**
• Admission register of Pregnant mothers’ should be maintained in the designed format attached in the Annexure-I.

• Case card should be maintained in a printed book consisting of 100 pages for 100 pregnant mother as per designed format at (Annexure –D)

• Daily Diet register

• Stock Register
