Terms of Reference (ToR) for the Chartered/ Cost Accountant Firms applying for undertaking monthly concurrent audit of accounts at the Odisha State Health and Family Welfare Society (OSH&FWS), District Health Societies and City Health Societies in Odisha for the year 2026-27.

1. Background

The National Rural Health Mission (NRHM) now renamed as National Health Mission (NHM) of the Ministry of Health and Family Welfare, Government of India (GoI) has been under implementation in the State of Odisha since April 2005 to improve health care in the State. The NHM seeks to provide accessible, affordable and quality health care to the population especially to the vulnerable sections.

As required by the GoI, Concurrent audit of accounts of various programmes under the National Health Mission is in vogue at the levels of the Odisha State Health and Family Welfare Society (State Health Society) including different cells functioning under different Directorates of Health and Family Welfare Department of Government of Odisha and the District Health Societies (DHSs) as well as the health units/facilities functioning at the Block and other periphery levels for systematic examination of financial transactions on a regular basis to ensure accuracy, authenticity, compliance with procedures, instructions rules and guidelines.

1.1. The emphasis under concurrent audit is not on certification of financial statements like receipt and payment, Income & Expenditure and Balance sheet but on hundred *per cent* check to ensure adherence to the financial & programme management processes / norms / policies. It is an ongoing appraisal of the financial health of an entity, i.e. to determine on monthly basis whether the financial management arrangements including internal control mechanisms are effectively working and identify areas of improvement to enhance efficiency and report the same to the stake holders every month.

1.1.1 For this, services of Independent Chartered Accountant and Cost Accountant (CA) firms are solicited for assignment of monthly concurrent audit of accounts for the year 2026-27 at the State Health Society (SHS) and 30 District Health Societies (DHSs) level and to report on vital parameters which would depict the true picture of financial and accounting health of the programmes under implementation. Those firms which are interested to apply for a particular district are to apply to the Chief District Medical & Public Health Officer (CDM&PHO)-cum-District Mission Director, NHM of the concerned district. The addresses of the DHSs are given at Appendix-5 of this ToR. However, in the following three sets of contiguous districts of (i) Sambalpur and Deogarh (ii) Boudh and Sonapur and (iii) Bargarh and Nuapada; service of single firm is solicited for each set of the contiguous districts. In other words those CA firms interested for applying to a set of contiguous districts above are to apply as under:

Sl. No	Application to be furnished/ submitted	Set of contiguous districts	Number of blocks to be covered during audit in each set of contiguous districts in addition to the respective DPMUs and DHSs of the contiguous districts mentioned in col.3
(1)	(2)	(3)	(4)
1.	CDM & PHO, Sambalpur	Sambalpur and Deogarh districts	12 Blocks (Sambapur-9 and Deogarh 3). The application would be treated for the above earmarked districts.

2.	CDM & PHO, Boudh	Boudh and Sonepur districts	9 (Boudh -3 and Sonepur 6). The application would be treated for the above earmarked districts.
3.	CDM & PHO, Bargarh	Bargarh and Nuapada districts	17 Blocks (Bargarh 12 and Nuapada - 5). The application would be treated for the above earmarked districts.

Accordingly, no bid will be received in the offices of the CDM & PHOs, Deogarh, Sonepur and Nuapada districts. Each of the three sets of contiguous districts may be treated as one District Health Society for the purpose of paragraphs 5.1 and 5.2 mentioned below.

1.1.1.1 However, in addition to the above, the SHS and DHSs at 14 districts e.g., Bhadrak, Bolangir, Boudh, Cuttack, Gajapati, Jajpur, Keonjhar, Khordha, Koraput, Malkangiri, Mayurbhanj, Nawarangpur, Puri and Sambalpur have opted for renewal of the agreement with the respective auditors for the year 2026-27. Thus, no bid will also be received in the offices of the Mission Directorate and 17 districts (Bhadrak, Bolangir, Boudh, Cuttack, Deogarh, Gajapati, Jajpur, Keonjhar, Khordha, Koraput, Malkangiri, Mayurbhanj, Nawarangpur, Nuapada, Puri, Sambalpur and Sonepur). Hence, proposal for concurrent audit of accounts will be accepted in 13 DHSs (**Angul, Balasore, Baragarh, Dhenkanal, Ganjam, Jagatsinghpur, Jharsuguda, Kalahandi, Kandhamal, Kendrapara, Nayagarh, Rayagarh and Sundaragarh**). 15. Penalty for delay in conducting monthly audits and submission of Audit Reports

The District/ State units must furnish the books of accounts and relevant records and Financial Statements before the auditor in due time. In case of failure, the District Auditor must inform in writing the same to the CDM & PHO with a copy to the Mission Directorate. Similarly, the State Concurrent Auditor is to inform the non submission of records to the Programme Officer with a copy to the Mission Director, NHM, Odisha in writing.

If for any reason beyond the control of auditor, in respect of the conducting or completion of audit gets delayed, then the firm has to communicate the same to the CDM & PHO -cum-District Mission Director concerned and Mission Director, NHM, Odisha Bhubaneswar stating the specific reason. In order to ensure timeliness in submission of audit reports on the part of the auditor, if the State Health Society / District Health Society feels that in spite of timely providing all information, documents and updated books of accounts, there was delay in carrying out of monthly audits and submission of Audit Report for any month relating to the financial year then the District / State Health Society would deduct from the audit fees payable for the month at the rate of *10 (ten) per cent* and *50 (fifty) per cent* exceeding *30 days* and *50 days* respectively from the stipulated date of submission of Audit Report if the delay is attributable to the Auditor. In other words, the deduction of audit fee would be *10 per cent* if the submission of Audit Report (AR) exceeds *30 days* from the stipulated date of submission and *50 per cent* if the submission of AR exceeds *50 days* from the stipulated date of submission. However, submission of Audit Report of the month exceeds *60 days* from the stipulated date of submission entails forfeiture of audit fee payable for that month and delayed submission exceeding *60 days* of Audit Report as above for any two months relating to the financial year would attract action for termination of assignment thereafter and the next successful bidder would be offered assignment from that stage of audit. A firm whose assignment is terminated, its request for proposal will not be entertained in the next financial year.
